## *about* MARGIE ADAM

Margie Adam is a singer-songwriter-pianist whose music is a weave of activism and spirituality, love songs and whimsy. She is one of the founder-organizers of the Women's Music genre, a feminist cultural movement. Recent projects include being associate producer for two films: *Radical Harmonies: A History of Women's Music* and *The Times of Del Martin and Phyllis Lyon*. For concert bookings, workshops and labyrinth facilitation, contact Margie at [info@margieadam.com](mailto:info@margieadam.com). (Note: Margie Adam will not be performing her music at this event. We encourage you to visit [www.margieadam.com](http://www.margieadam.com) to experience her music and activism!)
